This licence is granted only to the extent that the exercise of the licensed rights infringes such patent claims; and provided that this licence is conditioned upon compliance with Section 2.3.

- 2.3 Outbound Licence(s):** As a condition on the grant of rights in Sections 2.1 and 2.2, We agree to license the Contribution under the terms of the initial licence of the project (including any right to adopt any future version of this licence).

Without prejudice to the former conditions - and for the exclusive purpose of ensuring copyleft compatibility, We may licence the Contribution under any licences which are approved by the Open Source Initiative, or the Free Software Foundation, or Creative Commons, or equivalent non-proprietary licences published by the European Union on or after the Effective Date, including both permissive and copyleft licences, whether or not such licences are subsequently disapproved by relevant organisations (including any right to adopt any future version of these licences).

- 2.4 Moral Rights.** If moral rights apply to the Contribution, to the maximum extent permitted by law, You waive and agree not to assert such moral rights against Us or our successors in interest, or any of our licensees, either direct or indirect.
- 2.5 Our Rights.** You acknowledge that We are not obligated to use Your Contribution as part of the Work and may decide to include or not any Contribution We consider appropriate.

- b) You [or Your Affiliates] own the Copyright and any other proprietary rights in the Contribution, including patent claims where applicable, which are required to grant the rights as provided under Section 2.
- (c)(Individual) The grant of rights under Section 2 does not violate any grant of rights, which You have made to third parties, including Your employer. If You are less than eighteen years old, please have Your parents or guardian sign the Agreement on your behalf.
- (c)(Entity) The grant of rights under Section 2 does not violate any grant of rights, which You or Your Affiliates have made to third parties.
- (d) In case Your Contribution is based upon previous third party work, such third party work is covered under an appropriate (open source) licence and can hence be used under the established licence of the Work, and there are no incompatibilities arising from the use of the Submitted Contribution within the Work;
- (e) You will retain in Your Contribution all copyright and licence information for any third party work that You use in or is associated in Your Contribution. You will accompany Your Contribution by a software bill of materials as required under good development practices for open source projects (i.e. a list of third party work, accompanied where necessary by the indication of whether such third party work has been modified by You, third-party licences or other restrictions).
- (f) You communicated to Us a copy of this Agreement, signed by all relevant copyright holders, if You do not own the Copyright in the entire work of authorship Submitted.
